5. Inspector's Affidavit

I hereby certify under penalty of perjury that all answers to the questions on this form are true, and I agree and understand that any misstatement of material fact contained in this form will be sufficient cause for my immediate dismissal. If I undertake additional work, other than stated herein, I will secure prior written approval from the school district/owner, the architect and/or engineer, and the Division of the State Architect.

If appointed, I will accept the responsibilities of inspector and will perform the duties conferred upon me by Sections 17280/81130 through 17316/81147 of the Education Code, or Sections 16000 through 16023 of the Health and Safety Code. *I will not accept payment or other consideration for my services from anyone other than the school district/owner.*

An original signature is required Signature _____ Date _____

The following affidavits must be signed by an authorized representative of the school district/owner, as well as the Design Professional in General Responsible Charge, and the Structural Engineer before this application is submitted to the Division of the State Architect for approval. The information provided on this document will be maintained in a public record file. *Original signatures are required.*

6. School District/Owner's Affidavit (not required for special inspector approval)

_____ is being employed by the school/owner, conditioned upon the acceptance by the architect or registered engineer in general responsible charge, and the approval by the Division of the State Architect (DSA), to provide competent, adequate and continuous inspection during construction of this project. I understand that the inspector will act under the direction of the architect or registered engineer in general responsible charge, and DSA. The inspector shall also be responsible to the Owner.
